**We invite you to come and enjoy a weekend of racquetball in Bakersfield. If you were at our tournament last year you know that we made our hospitality the best part of the event! We will attempt to improve every year and this year will be no exception! Last year there were some surprising upsets in the Open divisions and I know there is revenge on the minds of a few players. Being in the center of California we are expecting players from both Northern and Southern California. Last year we had players from as far away as Kansas, Reno, Nv., Mexico and Oregon. I have a personal mantra about Bakersfield in the summer. “No one goes there on purpose!”, unless there is a some great racquetball to be played. Ron Boylan loved racquetball and saved this club from the wrecking ball several years ago. When we lost him to cancer several of us decided his memory will last as long as the building does so we will continue to have this tournament every year. I know the gas prices are high, the economy is bad and that Dreadlock guy got kicked off American Idol, however, none of that will matter when your chasing down a drive serve and returning the best kill shot you’ve ever hit!!! We want every player here to test their skills and eat some good food.**

**The Wyndham Hotel, our host hotel, is like being in a Vegas Hotel and they offer great rates for our tournament that includes breakfast. It is across the street from “The Crystal Palace”, Buck Owens’ Night Club, Restaurant and Museum. If you’re a country western music fan I’m sure you’ll find a picture on the wall of one or more of your favorites. There are other hotels and motels that might be less expensive so check them out and try to forget the trucker who slept there the night before. Our club is just off Rosedale Highway at Highway 99. We are located in the center of a city park and have a skate board park next door if you want to bring the kids. Just keep an eye on them in the club so no one gets hurt or we will be forced to sell them at auction.**

**We look forward to seeing you here at What A Racket June 20-22, 2008.**

**Sincerely,**

**Mike and Theresa Richert**
